MEMORANDUM FOR: Captain Tazewell T. Shepard, USN
Office of Naval Operations
Department of the Navy
Washington, D. C. 20350

SUBJECT : Western Pacific and Indian Ocean
Base Study

REFERENCE : WESTPAC BASES, Ser 0020, 13 October
1967

1. The comments of the responsible offices in the Directorate of Intelligence and the Directorate of Science and Technology on the questions in your memorandum of 13 October are forwarded at this time. In view of the volume of the material, we have printed our comments and are sending eight copies for your use.

2. These comments, together with the 30 October memorandum from Mr. Clarke in which the three scenarios were discussed, completes our response to your request. Should you have any questions on this material, please feel free to call Mr. Clarke directly on Code 143, extension 7111.
